Overall Trade Review :

Particulars	Observations
What was the overall outcome of the trades reviewed?	3 profitable trades, 1 losing trade and 1 open trade.
What Worked well across the trades?	Trend and indicators helped in taking trades.
What problems appeared repeatedly?	Entry timing needed improvement.
Were there repeated deviations from the trading plan?	Sometimes I entered without full confirmation.
Were there repeated deviations from the selected strategy?	No major deviation.
Which previous mistakes were successfully avoided?	Entering trades without checking the market trend.
Which previous mistakes continued to occur?	Impatience occurred once.
What common pattern did you observe?	Most closed trades gave small profits.
What was your main trading strength?	Staying focused while trading.
What was your main area requiring improvement?	Patience and timing.

Particulars	Observations
What was the overall trading outcome?	3 profitable trades, 1 losing trade and 1 open trade.
How would you describe the quality of your trading process?	Good, but needs better timing.
Did the outcome accurately reflect the quality of your process?	Partly

Pattern Identification Table:

Area	What pattern did I observe ?
Most common strength	Following the trading strategy.
Most common Weakness	Impatience
Most common reason for entering	I entered the trade based on the upward market trend.
Most common execution issue	I entered at the wrong time.
Most common planning issue	Not waiting for full confirmation.
Previous mistake successfully avoided	Yes
Previous mistake repeated	Impatience
Most important pattern	Most trades were profitable, but timing can improve.

Improvement Actions:

Area Requiring Improvement	Evidence/Reason	Action for Future Trades
Patience	One trade needed better timing.	Wait for a clear signal.
Entry timing	Entry was not always ideal.	Check trend before entering.
Exit timing	Exit timing can be improved.	Follow the planned exit.
